PARKING

The most convenient parking is available at the adjacent Amtrak Parking Garage.

The rate per individual is \$300/mo. (Reserved: \$400)

The group rate for 20-39 is \$250/mo. (Reserved: \$350)

The group rate for 40 plus is \$200/mo. (Reserved: \$300)

Note: For a group rate, a single purchase must transpire. Ex. For 25 access passes, a request for 25 passes - totaling \$6250 - must be purchased. Also, the rates shown above are preferred. They will not be shown during your registration process. Initially, you will be charged the regular rate - i.e. \$350 vs \$300. When picking up your pass, ask the receptionist to ensure the appropriate rate is applied.
